

## How to share your Job Profile URL

Firstly you need to decide if you want to add a hyperlink to the Job Profile URL or just use the Job Profile URL link provided. If you need to set up a hyperlink this is how you can.

You can add your caption to cover letters and resumes, or both. For example use a more descriptive and highlighted caption in your cover letter (Point 1 below) or just add the short caption (Point 2) on your resume.

Example - Please view my [video resume](#) I have also included in my application. (We have added a YouTube clip)

Or you can just use your Job Profile URL. Example – Please view my video resume <https://youtu.be/yvFipLhgnBU> I have included in my application

### 1. Here are some more descriptive examples for you to use.

- For further information I have included a [video resume and video references](#) for you to get a greater insight to what I can bring to your organisation
- I have included a short [video profile](#) to support my application
- Please click on the following link <https://youtu.be/yvFipLhgnBU> which will take you to a video profile explaining in greater depth my experience and achievement's to further support my application.
- I am using the latest software by FaceCruit to enhance my application. [Click here](#) to see my presentation.

### 2. If you want to add a discreet link, just add a link under your LinkedIn profile or contact information and use the following short text examples. Remember to hyperlink the text or add your Job Profile URL alongside the text.

- FaceCruit Video Profile
- Video Resume
- Video References
- Supporting video
- My video profile
- My video showcase
- Video application

**Remember, market and promote your caption so the recipient will want to open your Job Profile.**
